OBJECTIVE

I'm a B.Sc.CSIT student with a strong computer science foundation. My academic pursuits have provided insights for a software industry role, and I've honed communication, teamwork, and problem-solving skills. Thriving in fast-paced environments, I excel at meeting deadlines with precision. As a dedicated team player, I'm eager to apply my academic and practical knowledge to make a meaningful impact in a professional setting.

EDUCATION

B.Sc.CSIT (Present, Final Year)
Academia International College (TU)
 Gwarko, Lalitpur, Nepal

10+2 (2019 AD)
